

Biography: Pursuing a Seat on the Mid Valley Association of Realtors Board

As a passionate and dedicated professional in the real estate & finance industry, I'm excited to share my aspirations for joining the MVAR board. My journey in the industry has been marked by a deep commitment to ethical standards, professional growth, and community development, making me a strong candidate for a seat on the board.

My interest was ignited by the recent market events over the last couple of years. Housing is not just about property; it's about people and their aspirations. Throughout my over 20 years in the real estate and finance industry in one way or another, I have strived to embody the values of integrity, transparency and excellence in every transaction and interaction. These principles have helped me build a solid reputation and driven me to seek a role in this organization where I can further promote these values within our industry.

I currently sit on the Salem Fire Foundation board as past treasure and current Vice Chair. I Have been with the board for 3 years. I also serve as an Ambassador for the Salem Area Chamber of Commerce and have for almost 20 years. Some of my past accomplishments include Mayoral Appointee to the Salem Water Wastewater Task Force, Police Liaison for the West Salem Neighborhood Association. Small Business Development Committee Chairperson, Ambassador program Chairperson. 2004 Graduate of Leadership Salem, Several Ambassador of the Quarter Awards.

By actively participating in board activities, I can help shape policies, advocate for best practices and foster collaboration among industry professionals locally and at the legislative level. Associations are at the heart of our community's foundation, and they allow us to come together as a collective voice on many levels. We are truly better together.

Thank you for your consideration.

Respectfully,

Tracy Belle, CDLP
